Complete the online modules and attend the ONE TIME in person training class.

You can take any in person location that works for you (the class location selection is posted on www.ctreferee.net) however West Haven residents are encouraged attend the class we are putting on in West Haven on Saturday March 10, 2018.

Once you successfully complete the online modules (at your own leisure / via open book) and attend the class you will be ready to officiate games all throughout Connecticut-including the WHIT!

As a generous gift from the Board of WHYSL we will be purchasing uniforms (shirts, shorts, socks, flags, whistles, cards) for all West Haven residents who successfully complete the course.

We will be taking your uniform sizes at the March 10th in class session. If you attend a different session you will simply need to email your sizes to me before March 10th.

Will have your uniforms ordered and ready for you at our Spring 2018 WHYSL Referee Meeting which will be held before the Spring season starts. I will let you know the date/time of the meeting on March 10th (or via email). This mandatory one hour meeting will be for new and returning West Haven certified referees who wish to officiate games in town this spring and learn the basic in house rules of our club and learn from club officials. I will also be scheduling the first two weeks of games with you at this important meeting.

I assign games on a weekly basis therefore if you wish to referee one week and take a week off that is fine-you may even wish to referee in the morning and have the afternoon off-I will work with you!

If you have questions navigating through the CSRP website www.csrp.net please call Judy Whelan, State Director at 860-919-0850. If you have West Haven specific questions please contact Mike Galbicsek, WHYSL Referee Administrator at referee@whysl.org.
